I wish that I could fall in love today
But memories of you stand in the way
I just can't make my heart find someone new
It's always much too busy with the blues

I wish that I could fall in love today
But if I did I know I wouldn't stay
You'd come between us like you always do
Somehow they never measure up to you

Each night I pray I'll wake up at dawn and find
Another in my heart and on my mind
Then I awake and hear my poor heart say
I wish that I could fall in love today
