"Indian Giver"

I'm giving up on you and I've been feelin' that way for a
day or two
And somehow I think you know good well why I sit here
so all alone crying
Indian giver you give your heart to me but then
You wanna take it back again Indian giver I give in
[ac.guitar]
I'll go away somewhere and whether or not you miss
me I won't care
Somehow I think you know good well why I won't be
crying when I say goodbye
Indian giver you give...
[ac.guitar]
I'll be satisfied when I know you know all the tears I've
cried
Somehow I think you know good well we could have
been together for eternity
Indian giver you give...
