My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin' good and fried  
Keep on the sunny side  
My uncle used to love me but she died

Who'll give me quarter, thirty cents for a ring of keys  
Three sixty-five for a dollar bill of groceries  
I'll have me a car of my own someday but 'til then I  
need me a ride  
My uncle used to love me but she died

My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin' good and fried  
Keep on the sunny side  
My uncle used to live me but she died

Hamburger cup of coffee lettuce and tomato  
Two times a dime to see a man kiss the alligator  
One more time around free on the ferris wheel ride  
My uncle used to love me but she died

My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin' good and fried  
Keep on the sunny side  
My uncle used to live me but she died

Apples are for eatin' and snakes are for hiss'n  
I've heard about a huggin' and I've heard about kissin'  
I read about it free in a fifty cent illustrated guide  
My uncle used to love me but she died

My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin' good and fried  
Keep on the sunny side  
My uncle used to live me but she died

Well my uncle used to love but she died  
A chicken ain't chicken 'til he's lickin' good and fried  
Keep on the sunny side  
My uncle used to live me but she died
