Me and old Rosie we go back a whole lot of years
We've had some laughter and we've had each other in
tears
Rosie and me are somewhere between lovers and
friends
I need me some cozy and I'm ringing up Rosie again

Well I just got in town and it's twenty five minutes till
three
But I bet a pretty that pretty girl's waiting for me
Cause she know's it's Monday and Monday's I always
book in
I need me some cozy and I'm ringing up Rosie again

Rosetta whoa oh my Rosetta whoa oh oh oh
You're the one girl who's in my dreams
Me and old Rosie we go back a whole lot of years
We've had some laughter and we've had each other in
tears

Rosie and me are somewhere between lovers and
friends
I need me some cozy and I'm ringing up Rosie again
I need me some cozy and I'm ringing up Rosie again
Rosetta whoa oh my Rosetta whoa oh oh oh
You're the one girl who's in my dreams
