This is a story bout a boy that loved a girl loved her
very much
In fact he loved her so much he couldn't seem to find
exact words
To tell her exactly how much he did love her
Oh he tried several times but so anytime he tried
The words always came out backwards came out some
like this
Bright moon tray fiddley run by through around and up
to
That's why I love you so much that why I love you like I
do
Bluebird a wingin' pearley foe some say chully-lum say
so
That's why I love you so much that's why I love you like I
do
In other words there are no words to say how much I
care
And every time I start to tell you words come to my
throat but to stick there
Bright moon tray fiddley run by through around and up
to
That's why I love you so much that's why I love you like I
do
[ac.guitar]
In other words there are no words...
