You know, baby  
Since you took your love away  
My heart's been stallin'  
Kick the wall in, night and day

Yeah, I've been sad  
I've been down  
I've been so to blame

Baby, how was I to know  
I burned our bridges down  
But I know the time has come  
To turn it back around

The time has come  
For pickin' up the pieces  
The time has come, hold on tight  
Baby, don't you know  
The time has come

You are my eyes  
And the vision in my life  
You give me strength  
You're the edge on my knife

Yeah, I was tired  
I was torn  
I was so insane

Baby, how was I to know  
I burned our bridges down  
But I know the time has come  
To turn it back around

The time has come  
For pickin' up the pieces  
The time has come, hold on tight  
Baby, don't you know

The time has come to talk for hours  
Underneath the silver skies  
Baby, love me 'til

The early mornin' light

Yeah, I was tired  
I was torn  
I was so insane

Baby, how was I to know  
I burned our bridges down  
But I know the time has come  
To turn it back around

The time has come  
For pickin' up the pieces  
The time has come, hold on tight  
Baby, don't you know  
The time has come

Yeah, yeah, the time has come  
Yeah, yeah, the time has come
