The yester waltz
Is just a waltz
Somebody played
Some yesterday
And when it played
It made someone cry
And that someone always
Remembers when it plays
The sadness of the yester waltz

The yester waltz
Is just a waltz
Somebody played
Some yesterday
And when it played
It made someone cry
And that someone always
Remembers when it plays
The sadness of the yester waltz

The yester waltz
Is just a waltz
Somebody played
Some yesterday
And when it played
It made someone cry
And that someone always
Remembers when it plays
The sadness of the yester waltz
