I sit alone at my table and watch all the others have fun  
I'm tired of sittin' on the side of track a watchin' the  
mainline run  
I'm tired of havin' no future livin' on things that I've  
done  
I'm tired of sittin' on the side of track just a watchin' the  
mainline run  
Train train oh let me ride don't leave me train of life  
train train

I got no one to call me their darling to hug me and call  
me their hon  
I'm tired of sittin' on the side of track just a watchin' the  
mainline run  
I'm tired of havin' no future...
