Walking In the Sunshine, sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time had a long time ago
Think about forgetting about your worries and your
woes
Walking In The Sunshine, sing a little sunshine song

La la la la la dee oh,
Whether the weather be rain or snow
Pretending can make it real
A snowy pasture, a green and grassy field

Walking In the Sunshine, sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time had a long time ago
Think about forgetting about your worries and your
woes
Walking In The Sunshine, sing a little sunshine song

La la la la la dee oh,
Whether the weather be rain or snow
Pretending can make it real
A snowy pasture, a green and grassy field

Walking In the Sunshine, sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time had a long time ago
Think about forgetting about your worries and your
woes
Walking In The Sunshine, sing a little sunshine song

Walking In the Sunshine, singing a little sunshine song
Put a smile upon your face as if there's nothing wrong
