Now that you're gone
It's no fun without you
I just think of things we used to do
Like watching the sunset
Over the sea
And sailing the islands
So happy and free

Now that you're gone
I have to face living
Without your eyes to see through
Shadows are falling
Before all my steps
I can't see the path through
The tears that I've wept

Without your love
The days are so long
And I can't believe you're gone

I'm without your love
Now that you're gone
Without your love
Now that you're gone

Now that you're gone
I need help accepting
This mercy so severe
Mornings I wake up
And reach out for you
Then I remember
But what can I do

Without your love
The days are so long
And I can't believe you're gone
