Ina meena Dika, Daai, Daamo nika
Maaka naaka naaka, chika pika rika
Ina meena dika dika de daai daamo nika
Maaka naaka maaka naaka chika pika rola rika
Rumpum posh rumpum posh
Dil de doon, hai koi lene wala
Aise vaise ko nahin dene wala
Suratiyaan hasin ho, umariyan jawan ho
Koi bhi use dekhe to bas ye gumaan ho
Yahi hai yahi hai yahi to hai vo

Ye sharten to badi hai zaroori
Jo koi karega inhen poori
Main khushi khushi use ye dil de doonga
Kasam khaa raha hoon, ki daam bhi na loonga
Magar ye kahoonga, magar ye kahoonga, kya?
Yahi hai yahi hai yahi to hai vo

Mat socho ki sasta hai sauda
Phal paaye lagayega jo paudha
Dil ki ye yaari banegi phulvaari
Ye duniya jalegi, jalan ki hai maari
Hansegi hansegi hansegi meri pyaari
