ye dil tum been kahee lagataa naheen, hum kyaa kare  
tasawwoor mein koe basataa nahee, hum kyaa kare  
tum hee kah do ab aye jaana-ye-wafaa hum kyaa kare

loote dil mein diyaa jalataa nahee, hum kyaa kare  
tum hee kah do ab aye jaana-ye-wafaa hum kyaa kare

kisee ke dil mein bas ke dil ko tadapaanaa naheen achchhaa  
nigaahon ko zalak de de kar chhoop jaanaa naheen achchhaa  
ummeedon ke khile gulashan ko zulasaanaa naheen achchhaa  
humei tum been koe jachantaa nahee, hum kyaa kare

mohabbat kar to loon lekin mohabbat raas aaye bhee  
dilon ko boz lagate hain kabhee julfon ke saaye bhee  
hajaaro gam hain is duniyaan mein apane bhee paraaye bhee  
mohabbat hee kaa gam tanahaa nahee, hum kyaa kare

buzaa do aag dil kee yaa ise khulakar hawaa de do  
jo is kaa mol de paaye, use apanee wafaa de do  
tumhaare dil mein kyaa hain bas humei itanaa pataa de do  
ke abh tanahaa safar katataa nahee, hum kyaa kare
