BABY ME BABY

Writer Roger Miller

Well I'm stacking up shirts and things
Packin' up and fixin' to go
For some little reason that I can't remember
And this leavin' is grievin' me so
But just one little kiss
Could put all this leavin' behind
Yeah, baby me, baby
And maybe I might change my mind
Baby me baby
Everyday
Baby me baby
And make all my blues go away
Baby me baby
Everyday
Baby me baby
And I'll baby you the same way
Sometimes the times are good times
And sometimes the times
Are not quite good as the good times should be
And that's when leavin' starts to enter my mind
But just one word from you
And I'd put all my suitcases down
Yeah, baby me, baby
And maybe I might stick around
Baby me baby
Everyday
Baby me baby
And make all my blues go away
Baby me baby
Everyday
Baby me baby
And I'll baby you the same way
