I laughed it off when she left  
I said she'd come back again  
Don't we all have the right  
To be wrong now and then

She won't come home  
She says her love will never be mine again  
Don't we all have the right  
To be wrong now and then

Guess I wasn't  
So smart after all  
I forgot that with love  
There are two ways to fall

She won't come home  
She says her love will never be mine again  
Don't we all have the right  
To be wrong now and then

Guess I wasn't  
So smart after all  
I forgot that with love  
There are two ways to fall

She won't come home  
She says her love will never be mine again  
Don't we all have the right  
To be wrong now and then
