Well, I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright

Goodbye woman, that I don't love
Goodbye woman that I don't love
Goodbye woman, that I don't love
I found new one that I can love enough

So I ain't comin' home tonight

The water in the well at home is bad
The water in the well at home is bad
The water in the well at home is bad
And she gave me water like I ain't never had

So I ain't comin' home tonight

Pa, pa, pa, pa, pa, pa
I ain't comin' home tonight

Now I found me new food and drink
I found me new food and drink
I found me new food and drink
And I found myself a new home I think

So I ain't comin' home tonight
I ain't comin' home tonight
