Well I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright

Goodbye woman that I don't love
Goodbye woman that I don't love
Goodbye woman that I don't love
I found a new one that I can't love enough

So I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright

Water in the well at home is bad
The water in the well at home is bad
The water in the well at home is bad
And she gives me water like I ain't never had

So I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright

I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright

Now I found me new food to drink
I found me new food to drink
I found me new food to drink
And I found myself a new home I think

So I ain't comin' home tonight
I ain't comin' home tonight
I ain't comin' home tonight
My soul is restless and the moon is bright
I ain't comin' home tonight
Well I ain't comin' home tonight
My soul is restless and the moon is bright
