Look-ee look-ee I can see a ray of sunshine shining
I can feel a rainbow coming, deep inside my mind
I can feel my cares and troubles falling all around me
I'm glad the sunshine found me I know I've been hard
to find

Hey, hey, hey I feel it
Hey, hey, hey I believe it
I believe in the sunshine
Even when it rains
Even when the times are hardest
Even when the nights are darkest
I believe in the sunshine
Even when it rains

Look-ee look-ee yonder, I believe I see a morning
Coming up for me, the night has been so dark and long
I can feel a feeling like a hand upon my shoulder
I feel a little older, but at last I'm coming home

Hey, hey, hey I feel it
Hey, hey, hey I believe it
I believe in the sunshine
Even when it rains
Even when the times are hardest
Even when the nights are darkest
I believe in the sunshine
Even when it rains
