I've gotten used to the cryin'
And at least we're alone when I have to crawl
But darling when you say I'll find love again
I think I hate that most of all

I've gotten used to the teardrops
And at least we're alone when they start to fall
But darling when you say I'll find love again
I think I hate that most of all

I've gotten used to the cryin'
And at least we're alone when I have to crawl
But darling when you say I'll find love again
I think I hate that most of all
