It's a fig it's a pickle it's a fad
It's a four-door hoopee that my daddy once had
It's a chocolate clock with a chime
It's a miracle that you're mine

It's a groan it's a chuckle it's a grin
It's a little bitty box like a ring comes in
It's a mountain it's a valen-it's-a-tine
It's a miracle that you're mine

Fa la la la de dum fly away
La de da la de dum come and stay all day
It's a fe fi fiddlio fine
It's a miracle that you're mine
It's a gift from the heavens above
The miracle of having you to love
It's a fe fi fiddlio fine
It's a miracle that you're mine

It's a fig it's a pickle it's a fad
It's a four-door hoopee like my daddy once had
It's a chocolate clock with a chime
It's a miracle that you're mine
