Do the mornin's still come early are the nights not long
enough
Does a tear of hesitation fall on everything you touch
Well it might just be a lesson for the hasty heart to
know
Maybe leavin's not the only way to go

Maybe lay and let your feelings grow accustomed to
the dark
And by morning's light you might solve the problems of
the heart
And it all might be a lesson for the hasty heart to know
Maybe leavin's not the only way to go
People reach new understandings all the time
They take a second look maybe change their minds
People reach new understandings everyday tell me not
to reach and I'll go away
Do the mornin's still come early...
People reach new understandings...
Do the mornin's still come early...
