I gotta get up, I gotta get goin'
Rain or shine, sleetin' or snowin'
Nothing can stop me, stop me, stop my loving you
Wander through woods, climb a high mountain
Love's in my heart like waters in a fountain
Nothing can stop me, stop me, stop my loving you

Cross the fire, walk through river
You'll be the taker and I'll be the giver
I'll give you lovin', lovin' honey, that's what I'll do
Climb a big wall, I'd tear into pieces
I gotta get to your love and kisses
Nothing can stop me, stop me, stop my loving you

I can't stop praisin' the day I found you
I'd walk a hundred miles just to be around you
Nothing can stop me, stop me, stop my loving you
Nothing at all, nothing in the world
Can make me stop fallin' for you, my girl friend
Nothing can stop me, stop me, stop my loving you

Cross the fire, walk through river
You'll be the taker and I'll be the giver
I'll give you lovin', lovin' honey, that's what I'll do
Climb a big wall, I'd tear into pieces
I gotta get to your love and kisses
Nothing can stop me, stop me, stop my loving you
