Everybody knows you've been steppin' on my toes  
And I'm gettin' pretty tired of it  
You keep-a steppin' out of line and-a messin' with my  
mind  
If you had any sense, you'd quit

Ever since you were a little bitty teeny girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line

I keep-a workin' everyday, all you wanna do is play  
I'm tired of stayin' out all night  
I'm comin' unglued from your funny little moods  
Now honey, baby, that ain't right

Ever since you were a little bitty teeny girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line

You keep-a packin' up my clothes, nearly everybody  
knows  
That you're still just-a puttin' me on  
When I start walkin' then I hear you start squakin'  
Beggin' me to come back home

Ever since you were a little bitty teen girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line
