Pillow you're catching my tears again,
Why can't these lonely nights come to an end,
I once loved someone, but now she is gone,
Oh why must I cry on and on.

Pillow you're catching all of my blues,
I lay here crying every night through,
She won't even write me, or call on the phone,
Oh why must I cry on and on

Darling, oh darling, wherever you are,
Come back, oh come back,
Don't wander too far.

Pillow I guess we'll go through it tonight,
I can't help my feelings, I can't hold them back,
I know it's foolish, and I know she's gone,
Oh why must I cry on and on.
