Shame bird is flying, shame, shame on someone
Shame bird is flying, shame, shame on somebody
That someone is me
Don't crook your finger at me
If you see me walking by
I'm not the same guy when I'm high, ha

Well it may be out'a sight and I can't see it
It may be out'a sight and I can't see it
It may be out'a sight and I can't see it
I guess the reason being maybe I can't be it

I say shame bird is flying, shame, shame on someone
Shame bird is flying, shame, shame on somebody
That someone is me
Don't crook your finger at me
If you see me walking by
I'm not the same guy when I'm high

Well it may be out'a sight and I can't see it
It may be out'a sight and I can't see it
It may be out'a sight and I can't see it
I guess the reason being maybe I can't be it

I say shame bird is flying, shame, shame on someone
Shame bird is flying, shame, shame on somebody
That someone is me
Don't crook your finger at me
If you see me walking by
I'm not the same guy when I'm high
Lord knows
