The working man works while the boss man sits in the shade

The working man works while the boss man sits in the shade

Some people make it, some people got it made

I sing la la de-la what'll I do 'til I get paid

I sing la la de-la what'll I do 'til I get paid

Some people make it, some people got it made

Some people make it, some people got it made

Made in the shade

Some suck lemon, some sip lemonade

Yes I wanna walk tall when all of my dues are paid

Yes I wanna walk tall when all of my dues are paid

Some people make it, some people got it made

Some people make it, some people got it made

Made in the shade

Some suck lemon, some sip lemonade
