Swing low, swinging chariot, boy, comin' for to take me
for a ride

Swing low, swinging chariot, hmm, comin' for to take
me for a ride

Swing low, swinging chariot, comin' for to take me for a
ride

Swing low, swinging chariot, hmm, comin' for to take
me for a ride

Swing low, swinging chariot, yeah, comin' for to take
me for a ride

Swing low, swinging chariot, hmm, comin' for to take
me for a ride

I know someday beyond the moon
Someday beyond the sun
I know the Lord got a place swept up for me
To lay down when my work is done

Swing low, swinging chariot, comin' for to take me for a
ride

Swing low, swinging chariot, yeah, comin' for to take
me for a ride

Swing low, swinging chariot, hmm, comin' for to take
me for a ride

Swing low, swinging chariot, yeah, comin' for to take
me for a ride

Swing low, swinging chariot, yeah, comin' for to take
me for a ride

Swing low, swinging chariot, well, comin' for to take me
for a ride

This heart of mine is satisfied
When the time has come and I've laid and died
I won't have to lay alone
I'll have me some golden streets to walk on

Well-a swing low, swinging chariot
Well-a swing low, swinging chariot
(to
fade)
