Well the moon is high and so am I the stars are out and
so will I be pretty soon
And I can tell you're mad at me there you stand tellin'
me goodbye
And I say no you can't go I love you so much I can't let
you get away
But come the dawn and it will dawn on me you're gone
Uhhuhhuh love don't leave me don't leave me laying
here
This ground is cold and chilly really don't leave your
charming Billy
Way out here you hear well the moon is high and so am
I
The stars are out and so will I be pretty soon
But come the dawn and it will dawn on me you're gone
Well the moon is high and so am I...
