Hey (x3)

When you look you see right through me,
Cut the rope, I fell to my knees,
Born and broken every single time,
Always keep me under finger,
That's the spot where you run to me,
Might see some type of pleasure in my mind,

Yeah, here comes the water,
It comes to wash away the sins of you and I,
This time you'll see,

Hey (x3)

When you seek me, you destroy me,
Rape my mind and smell the poppies,
Born and bloodied every single time,
Always keep me under finger,
That's the spot where you might linger,
Might see some type of pleasure in my mind,

Yeah, here comes the water,
It comes to wash away the sins of you and I,
This time you'll see, like holy water,
It only burns you faster than you'd ever dry,
This time with me,

Oooh Ooooh

(Guitar Solo)

When you look you see right through me,
Cut the rope, I fell to my knees,
Born and bloodied every single time,

Yeah, here comes the water,
It comes to wash away the sins of you and I,
This time you'll see, like holy water,
It only burns you faster than you'd ever dry,
This time with me,

Hey(x3)
