Boy I'm no fool, you've been watching me
Heard you tellin' your friends you got a crush on me
You better come to me with the bizness
Not trying to be caught off catching villains
So tell me, baby, how you feel

Is it real love, or just some little kiddy talk
Tryna get you (?)
I don't have time for these games
I'm being patient, that you get your words out
But all I hear is yada coming out your mouth
You gonna miss out on this chance

[Chorus]
If you love me, say it
If you trust me, do it
If you want me, show it
If you need me, prove it
[x2]

Hope this is true, and you're keeping it real
It's not a bet with all your friends, gotta win the deal
I know I'm young but love
Comes anytime it wants
You bet' not say the word
If you don't mean it...

Is it real love, or just some little kiddy talk
Tryna get you (?)
I don't have time for these games
I'm being patient, that you get your words out
But all I hear is yada coming out your mouth
You gonna miss out on this chance

[Chorus]
If you love me, say it
If you trust me, do it
If you want me, show it
If you need me, prove it
[x2]

If you want me, show me, prove it
Don't let these other wannabes beat you to it
Cause I'm just chilling, money I'm getting
What more can I say, I'm living

[Chorus]

If you love me, say it
If you trust me, do it
If you want me, show it
If you need me, prove it
[x4]
