Terrorist kill in the name of God
Is this the same God we learn to trust?
Who shall we blame for all the hate today?
Is it the church or this fuckin' state?

Terror warning red! Kill for cash! Kill for cash!
Media alert, complete control!

Kill for cash fuck the human race
Religion forgives for all it's evil ways
Deatj or glory, it really says it all
Freedom? There is no fuckin' freedom!
Terror warning red! Kill for cash! Kill for cash!
Media alert, complete control!

Kill for cash! Kill for cash!
Media alert, complete control!
Terror warning red! Kill for cash! Kill for cash!
Media alert, complete control!
