Oh, oh, oh  
All we do  
Oh, oh, oh  
All we do yeah  
Yeah, city to forget, everything  
Got a gift to give, anything  
Never and easy, babe  
Nothing's guaranteed  
But you can't regret everything!

Bridge:  
All we do is run around,  
Lose our focus, we're all unfocused!  
Just forget about the ones we are closest yeah, yeah  
Closest to yeah, yeah, yeah!

Chorus:  
So I'm not gonna need you more  
But I know it ain't worthy, it ain't worthy, yeah  
Said I don't wanna need you more  
Nobody's perfect, say nobody's perfect!

City to play dead, no feelings  
Fall into my bed, make a scene  
Is this what you call steps?  
It's new to me  
It's that what you call wet?  
I guess we'll see!

Bridge:  
All we do is run around,  
Lose our focus, we're all unfocused!  
Just forget about the ones we are closest yeah, yeah  
Closest to yeah, yeah, yeah!

Chorus:  
So I'm not gonna need you more  
But I know it ain't worthy, it ain't worthy, yeah  
Said I don't wanna need you more  
Nobody's perfect, say nobody's perfect!

All we do is stress the truth  
It's not fair, nobody's perfect  
It's not fair, that's what we do!  
All we do is stress the truth  
It's not fair, it's not fair  
Nobody's perfect!  
That's what we do!
