Brrr ah ka ka, brrr ah ka ka
Brrr ah ka ka, ah ka ka, ah ka ka

Brrr ah ka ka, brrr ah ka ka
Brrr ah ka ka, ah ka ka, ah ka ka

There's a sign to be kind, when I look, oh rewind
It's a feelin' of decline, let me take you back in time

Lost in the speechless, bathin' on the beaches
I'm diggin' ya features, you're beautiful creatures

Take to my pillow, drinkin' sasparillo
Dream the dream in the soda cream extreme

Odd oddities of odessy adesso

I'm the mallow floatin' in your espresso

Wasted, pasted, out of ma face-teed
Roasted like a peanut with a carpet on my tongue
Hang around, ear to the ground
B-b-I-b abbreviating clowns

We love the clowns, oh baby yeah

Disco disco disco theque
Disco disco disco theque

Disco disco disco theque
Disco disco disco theque

Arrrrriiibbba

Brrr ah ka ka ka ka
