"The Housework Blues"

There's a mountain of dirty dishes
I can hardly see the top
Seems like it's never ending
If I start will I ever stop?

I've got, I've got housework blues yeah
I've got housework blues yeah
I've got housework blues yeah
I've got housework blues

There's a mountain of dirty laundry

I can hardly see the top
Seems like it's never ending
Pile of sweaty socks

I've got, I've got housework blues yeah
I've got housework blues yeah
I've got housework blues yeah
I've got housework blues, f**k yeah
