I wanna go to school, but I'm not that cool, yeah
Fightin' hard to keep them away, every f**kin'
wednesday

If the smoke stack come, do you run and hide
Twist and turn on the feet keep my head inside
It's whimsical, it's so whimsical

Take a burn, smoke a fern, take a look at the prize
L-e-d's in my mother f**kin eyes
It's whimsical, it's so whimsical

You ain't gonna die, there's no fear in your eyes boy
Fightin' hard to keep them away, every f**kin'
wednesday

Yodel yodel yodel yeah, yodel yodel yodel yeah, yodel,
Yodel
Yodel yodel yodel yeah, yodel yodel yodel yeah, yodel,
Yodel

I wanna go to school, but I'm not that cool, yeah
Fightin' hard to keep them away, every f**kin'
wednesday
