(chorus)

you can't change me
nor rearrange me
don't waste your time baby can't you see?
that you can't change me
you can't change me
nor rearrange me
don't waste your time baby can't you see?
that you can't change me

24 7

you keep stressing me
to do the things I don't wanna do
or be something I don't wannabe
well let me tell you something
I ain't a bird in your cage
you can run that game on someone else
cause it ain't never gonna work for me, don't you know

chorus

when we first got together
I told you how it would be
you said: it's all good and understood
now I see you feel differently
you say I love my music
more than you, and that's not cool
and you don't appreciate to be separated
cause you feel like a fool
well maybe you might as well tell me now
are you gonna break up, or be down
cause now you now the deal, let's keep it real
it may not be what you wanna hear, but baby you know

chorus

Baby you can't change me baby, oh no no, no
uhuh, yeah yeah yeah
you can't change me
rearrange me
so baby don't waste your time
you can't change me
oh oh yeah

you can't change me
you keep stressing me
24 7 baby
want me do the things, I don't wanna do
well let me tell you something baby, hey hey yeah
I ain't a bird in your cage
you can't run that game, yeah yeah
run that game on someone else baby
hey yeah yeah uhuh
I tell you 24 7 baby

chorus

you can't make me do the things I don't want to do
well let me tell you something baby, let me tell you
something
you can't make me do the things you want me to...
