Chocolate dipped strawberries
Horny is what one needs
I love how you make feel
I'll give it to you if it's
Real

Sex love and music
Sex love and music
Ah ah I like how
You use it use it

Sex love and music
Sex love and music
Ah ah I love how
You abuse it
Abuse it

Sex love and music

Today on a Friday
Night
We will do from
8-9
You be working on
The stripper pole
With your knees
And clothes on the
Floor as you know'
Your heart will
Glow oh oh

Sex love and music
Sex love and music
Ah ah I like how
You use it use it

Sex love and music
Sex love and music
Ah ah I love how you
Abuse it abuse it

Sex love and music

You know I like
Handcuffs
You know I give
It rough
You know I like
To explore
Different techniques
And more

Talk to me talk to me
Talk dirty to me
Talk dirty to me
Wont you talk to me

Talk to me talk dirty
To me
Talk dirty dirty
Dirty dirty

Dirty talk

Sex love and music

Ah ah I like how
You use it use it

Sex love and music

Ah ah I love how you
Abuse it abuse it
