Words and memories
That flow freely in vacuum brain
Shows a spine-chilling show

A vial of misery
And a whole world of uncertainty
A place where dark rain falls

Show me your Formaldehyde
Where Sad dramas braving tides
Destroy the glass-dome, hide
Winter landscape of your mind,

Cilice of memories
Allows to the insanity
Will bring us to suicide

Show me your Formaldehyde
Where Sad dramas braving tides
Destroy the glass-dome hide
Winter landscape of your mind

Tell me bloodshot eyes, scare inside
Show me your sad dramas in Formaldehyde
