Robotic voice and plastic eyes  
An dead display of sorrow lights

Vibrating feeling broken arms  
This is the game of rotting hurts

Past and present pain and love  
Mechanical rusting doll  
Are you scared lady  
Plastic maybe

Past and present pain and love  
Mechanical rusting doll  
Are you scared lady  
Plastic maybe  
Doll

Dirty nails and iced lips  
Words are sealed with a fist

Past and present pain and love  
Mechanical rusting doll  
Are you scared lady  
Plastic maybe

Past and present pain and love  
Mechanical rusting doll  
Are you scared lady  
Plastic maybe  
Doll

Ehy, you wanna try  
Rents a soul for this vacuum night  
You are alive

Mechanical rusting doll  
Are you scared lady  
Plastic maybe

Past and present pain and love  
Mechanical rusting doll

Are you scared lady  
Plastic maybe  
Doll
