Swallow bitter taste of chewed worm, maybe it's your
Poison
(And now swallow and fuck you)
The White dust is bleeding, it's only a consequence,
Maybe it's your sentence
(And now swallow and fuck you)
Pray your Christ, your sad promises, pray your
Falseness in bitter blood you drown
(And now swallow and fuck you)
Pray your Christ, your sad promises, pray your
Falseness in bitter blood you drown
(And now swallow and fuck you)

Swallow!
Swallow!
Swallow!

Swallow bitter taste of chewed worm, maybe it's your
Poison
(And now swallow and fuck you)
Something inside your corpse, want to kill us now, but
We are alive
(And now swallow and fuck you)
Pray your Christ, your sad promises, pray your
Falseness in bitter blood you lay
(And now swallow and fuck you)
Pray your Christ, your sad promises, pray your
Falseness in bitter blood you lay
(And now swallow and fuck you)

Swallow!
Swallow!
Swallow!
