[Verse 1]

Is there someone I can talk to?
Can you see the grass beneath you?
And is your world in perfect motion?
Do I cast fear on your conscience?

[Bridge]

I used to be strong
But I can't get back to my beginning
I've been here too long
And the years have stolen what I've lived for

[Chorus]

Do you feel love?
Or is this just the way it's suppose to be
Grace from above sees both our destinies
Inside you and me

[Verse 2]

There's no surprise
Kings and aces
Cause I have fallen
From high places
And you don't know the
The way you touch me
I need one moment
To say you love me

[Bridge]

[Chorus]

Inside you and me, inside you and me
It's inside you and me?

[Chorus]
