[Verse 1]

He said hey
Why you always feel this way?
Cause you take my heartbreak
And turn it to a song

He said hey
You know I don't feel the same
Walk away - walk away
You'll never hear me say, that?

[Chorus]

I'm falling, I'm falling in love again
Again, again, again, again, again
I'm falling, I'm falling in love again
Again, again, again, again, again

[Verse 2]

He said hey
Was it such a big mistake
Seeing you what we've been through
I know you'll find your way

And I said wait
I'm never gonna break away
It's too late ? it's too late
You'll never hear me say, that?

[Chorus]
