[Verse 1]

Since you've gone
I just can't get to sleep
Lying awake lying awake
Lying awake
All alone.

[Bridge]

Do you know I care
If you saw me you would know
Do you know
I care about you still ? please?

[Chorus]

Rescue me
Tonight I am calling
Dangerously I might
Keep on falling.

[Verse 2]

So you win
My life is upside down
Love me again
Love me again
Love me again
Forever.

[Bridge]

[Chorus]

[Middle 8]

Feel you love inside of me
Common sense has made me see
That you are the only one
In this world to show me love.

[Chorus]
