[Verse 1]

Just gimme a reason
And any one will do
And I'll stay tonight
If you want me to

I'm not really that type of girl
But you're my type of guy
Come a little closer darlin?
And I'll show you why

[Chorus]

(You're so good)
You make my world go around
You make my world go around
Gotta make my world turn around, round, round
(You're so good)

[Verse 2]

Just tell me a story
And anyone will do
I can make it happen
If you want me to

I can be any type of girl but
You're my type of guy
I can feel us turning baby
Filling up the sky

[Chorus]
