Set the world in motion
For this smashing graduation

Tonight is the night, the time of our lives
The hard work is over, we in this together
Party on the highway, to the end of Norway

When we reach the end, we'll do it all again
Living for today not thinking 'bout tomorrow
Party with the rock stars from the south of Sweden
Shining like a pearl, we're ready for the world
School ends tonight, la perla is forever

Meet the girls of Norway
They party like the rock stars on replay
They're gonna set the world in motion
For this smashing graduation
Meet the girls of Norway
They party like the rock stars on replay
They're gonna set the world in motion
Like a pearl in the ocean

Waiting for the world

Living for today not thinking 'bout tomorrow
Party with the rock stars from the south of Sweden
Shining like a pearl, we're ready for the world
School ends tonight, la perla is forever

Meet the girls of Norway
They party like the rock stars on replay
They're gonna set the world in motion
For this smashing graduation
Meet the girls of Norway
They party like the rock stars on replay
They're gonna set the world in motion
Like a pearl in the ocean

Meet the girls of Norway
They party like the rock stars on replay
Meet the girls of Norway

They party like the rock stars on replay
They're gonna set the world in motion
For this smashing graduation
