Roger Whittaker

The sun has set and golden Clouds,
Gleam in the evening sky.
I must confess I'd always hoped:
Today would pass me by.

Jessica Whittaker

Oh Dad, I really hate to see,
The sadness in your eyes.
We always knew this day would come,
It can't be a surprise.

Roger & Jessica

We had our special day to together.
You were always my best friend.
But the princess and the old king,
Knew this day would end.

A perfect day, a perfect day with you.
Just a perfect day of perfect hours,
No other word will do.
A perfect day, a day for you and I.
Now the evening shadows chill my heart
And I can't say goodbye.

Jessica Whittaker

Dad don't worry now I'm grown, it'll be ok.
You taught me well so trust me now
And I'll be on my way

Roger & Jessica

We had our special day to together.
You were always my best friend.
But the princess and the old king,
Knew this day would end.

A perfect day, a perfect day with you.
Just a perfect day of perfect hours,
No other word will do.
A perfect day, a day for you and I.
Now the evening shadows chill my heart
And I can't say goodbye.

A perfect day, a day for you and I.
Now the evening shadows chill my heart
And I can't say...

Jessica Whittaker
I'm leaving home.

Roger & Jessica
Goodbye.
