Bows and flows of angel hair and ice cream castles in
the air
And feather canyons everywhere, I've looked at clouds
that way.
But now they only block the sun, they rain and snow on
everyone.
So many things I would have done but clouds got in my
way.

I've looked at clouds from both sides now,
From up and down, and still somehow
It's cloud illusions I recall.
I really don't know clouds at all.

Moons and Junes and ferris wheels, the dizzy dancing
way that you feel
As every fairy tale comes real; I've looked at love that
way.
But now it's just another show. You leave 'em laughing
when you go
And if you care, don't let them know, don't give
yourself away.

I've looked at love from both sides now,
From give and take, and still somehow
It's love's illusions that I recall.
I really don't know love at all.

Tears and fears and feeling proud, to say "I love you"
right out loud,
Dreams and schemes and circus crowds, I've looked at
life that way.
But now old friends are acting strange, they shake
their heads, they say
I've changed.
Something's lost but something's gained in living every
day.

I've looked at life from both sides now,
From win and lose, and still somehow
It's life's illusions I recall.
I really don't know life at all.
