In every life there's a moment when,
You feel you have to cry
And you gave up and your spirit fails.
You feel your ready,
Your feel that you're ready to die.
I know how you feel,
I know how you feel, so did I.

Here is a song from the brave and strong,
A song that will lift your heart.
Here is what you do, when your life goes wrong,
Fight for a brand new start.
Deep in the dark of an endless night,
When you're low, horize' and go,
Walk into the light.

Your not alone when the teardrops flow.
It happens all the time.
You feel so sad as you watched her goal.
You feel it really, you feel that is really a crime.
I know how it feels, losing your love, I lost mine.

Here is a song from the brave and strong,
A song that will lift your heart.
Here is what you do, when your life goes wrong,
Fight for a brand new start.
Deep in the dark of an endless night,
When you're low, horize' and go,
Walk into the light.

Here is a song from the brave and strong,
A song that will lift your heart.
Here is what you do, when your life goes wrong,
Fight for a brand new start.
Deep in the dark of an endless night,
When you're low, horize' and go,
Walk into the light.

When you're low, 'rize and go,
Walk into the light.

Be brave and strong.

Be brave and strong.
Be brave and strong.
Be brave and strong.
Be brave and strong.
