Charlie Mahon, someone saw you hiding in the wood.
What did it take to make you,
Run away and hide yourself in every shadow.
Charlie Mahon, you where once the best friend I could
find.
Come out and sit here with me,
Come out and tell me what is on your mind.
Oh Charlie.

Did your really have to hideaway,
Show yourself and tell me what you say.
Can you hear me call your name?
Charlie come end this foolish game.
Did crawl the way to die.
You should see the kids who need you cry.
They just sit and wonder why,
There loving daddy went away
And they wonder just what they've done,
Charlie Mahon.

Charlie Mahon, can you hear me bagging on my knees.
I've come to take you with me.
Don't leave me here, just talking to the tree's.
Oh Charlie.

Did your really have to hideaway,
Show yourself and tell me what you say.
Can you hear me call your name?
Charlie come end this foolish game.

Paradise enid been alone, Charlie.
Don't brute your life away.
Come out of your shadow.

La, la, la, la, la, la, la, la, la, la.
La, la, la, la, la, la, la, la, la, la.

Can you hear me call your name?
Charlie come end this foolish game,
'Cause your woman's going crazy,
Charlie Mahon.

Oh ho, ho, Charlie.
Oh, Charlie, Charlie, Charlie, Charlie.
Oh, ho, ho, ho, ho...
Oh, Charlie, Charlie, Charlie, Charlie...
