The fire is warm and quiet now.  
The embers are aglow.  
For every Christmas, love must be,  
The greatest gift I know.  
My love, it's Christmas time  
And nothing can I give you.  
More than all the love that's mine to give,  
For every day we live through.  
This Christmas Eve will be,  
Christmas carols in harmony,  
Christmas carols in harmony.

Chor:  
God rest ye merry, gentlemen,  
Let nothing you dismay;  
For Jesus Christ our Saviour,  
Was born on Christmas day.

The streets outside are empty now.  
The snow begins to fall.  
And for every Christmas, love must be,  
The greatest gift of all.  
My love, it's Christmas time  
And nothing can I give you.  
More than all the love that's mine to give,  
In every day we live through.  
And Christmas Eve will be,  
Christmas carols in harmony,  
Christmas carols in harmony.

The fire is warm and quiet now.  
The embers are aglow.  
For every Christmas, love must be,  
The greatest gift I know.  
My love, it's Christmas time  
And nothing can I give you.  
More than all the love that's mine to give,  
For every day we live through.  
This Christmas Eve will be,  
Christmas carols in harmony,  
Christmas carols in harmony.
