I'll be loving you, eternally.
With a love that's true, eternally.
From the start, within my heart,
It seems I've always known.
The sun would shine,
When you were mine
And mine alone.

I'll be loving you, eternally.
There'll be no one new, my dear, for me.
Though the sky should fall.
Remember I shall always be.
Forever true and loving you,
Eternally.

Though the sky should fall.
Remember I shall always be.
Forever true and loving you,
Eternally.
